President's Message

From Clarence Mehlow

Hope you are having a great summer this year. Remember that others would like to hear about your travels. If you have a story about a great vacation that you have experienced and want to share it with the group, please send in a write up and photos for the newsletter. You may email your story and photos to Danna Redford.

We had a board meeting on the second Tuesday of July in which we discussed the fact that Freescale wants to continue their support for the Scholarship program. We are in need of your help on a committee which evaluates the applicants. Please help get the word out to the graduating seniors that are eligible to apply for these scholarships.

Wayne Harned will be covering the August meeting since I will be away on vacation.

We look forward to seeing you at the meeting. You may even win a door prize.

SCHOLARSHIPS

We will present three scholarships this year AND we decided to open the applications to our direct descendants as well as those of Freescale employees; in other words, to our grandchildren.

The Executive Board Meeting, July 11, 2006

Attendees: Danna Redford, Mike Temple, Brent Brown, Brian Spinks, Clarence Mehlow, Wayne Harned, and Mike Coley

Sandi Aitken, Director, Premier Employee Services at Freescale has informed our club that Freescale will monetarily support our college scholarship program. Currently, the scholarship applicants must be descendants of Freescale employees. The board passed a resolution that we offer three scholarships for 2007, and open the applications to the direct descendants of Retirees Club members and Freescale employees. In other words, our grandchildren would qualify as would those of a Freescale employee.

Mike Coley has agreed to be the web master for the club's website. He will register our URL and domain name. He will utilize the Motorola Phoenix Retiree Clubs format for our web page. This will allow him to have our website up and running sooner. The board unanimously voted to add Mike to the board. We also authorized the expenditures for the website.

Clarence Mehlow requested of Mike Coley that our website have a link to the Phoenix club's site. This would enable Austin retirees to email Motorola SPS Phoenix retirees who are listed but encrypted on their website.

Respectfully submitted, Wayne Harned for Frank Pribble
