

MOTOROLA/FREESCALE* LONE STAR RETIREES CLUB

LONE STAR NEWS

August 2008 Special Edition, Volume 13, Number 3a

This special edition is to announce that Freescale will no longer copy and mail the newsletter for us. Since we usually send out over 600 newsletters, the cost is too high to keep on doing it. Therefore, we will change the distribution method: **Starting with the next newsletter, email will be the primary distribution method.**

We will support two additional distribution methods. First the newsletter will be available on the website, and second **for those members who do not have access to a computer we will continue to mail the newsletter.**

We need everyone who gets this newsletter to contact us with the required information. The following are the two ways to get us this information:

1. Send an email to mflsrc@yahoo.com, with your e-mail address. Everyone should do this, as the e-mail address we currently have may not be current. Please do not send this information to any of the officers' or board members' personal e-mail accounts.
2. Fill out the membership form on the back of this newsletter, and note (where it says email/computer access) that you do not have computer access. Then mail the completed form to the address indicated.

With everyone's quick response and help we should be able to get this in place before the next mailing. Also, please pass this information to anyone you know who may not get it via the newsletter route.
