MY CAR

This is my car. I am a good driver.

A STOP SIGN

**I always come to a complete stop
and I always look both ways.**

A TRAFFIC LIGHT

I always stop at a red light. I never run a yellow light. Well, sometimes I run a yellow light if I am late to work.

A SCHOOL ZONE

I am always careful in a school zone when I pick up my son from school. It is important not to drive too fast.

RUN A YELLOW LIGHT

**One time I ran a yellow light
when I was late for work.**

GETTING PULLED OVER

A police officer was there. He pulled me over for running the yellow light.

LICENSE AND REGISTRATION

The police officer asked to see my license and registration. Then he gave me a ticket.

PAY THE TICKET

**I went home and paid the ticket.
It is important to pay the ticket early
so it doesn't cost more money later.**
