

- This authentic excerpt from a Written Conversation illustrates:
- How a student, without prompting, might use the tutor's message as a resource to correct his own spelling (grandkids).
 - That incorrect spelling (very happy) is not reinforced by incorrect temporary spelling. It is a new invention each time.

I have to grandkids
They are to grobs They
are ow and to years
old and am a vaery
hap grand dad.

What did you do today?
I bay sitd to daey
My grand kites
I wths vree hape.
How many grandkids
do you have?
How old are they?
I bet you make
them very happy too!
