D                      D7                      G  
As I look at the letters that you wrote to me  
D    A7  
It's you that I am thinking of  
D                      D7                      G  
As I read the lines that to me were so dear  
D                      A7    D    -    G    D  
I remember our faded love

D    G  
I miss you, darling, more and more every day  
D    A7  
As heaven would miss the stars above  
D    G  
With every heartbeat, I still think of you  
D                      A7    D    -    G    D  
And remember our faded love

[Instrumental]

D    A7    D - G    D

D    G  
As I think of the past and all the pleasures we had  
D    A7  
As I watched the mating of the doves  
D    G  
It was in the springtime that you said goodbye  
D                      A7    D - G    D  
I remember our faded love

D    G  
I miss you, darling, more and more every day  
D    A7  
As heaven would miss the stars above  
D    G  
With every heartbeat, I still think of you  
D                      A7    D    -    G    D  
And remember our faded love
