Step on the gas, going my way

F

Ke `oni nei ka huila

You and I on a joy ride

Wheels turn and carry us far away

Just relax until no more

Numbers come up

Glance to the sides

Wind whistles come in gusts

Climbing, going down, no matter

Or winding roads

The moon shines brightly

Fair upon the clouds

We are on the heights up there

But turn and go back

I worry about the clanking sound

Springs broken top to bottom

Passion calmed

So delightful

Sing your song my beloved

We go home

Breathing gasoline

Wheels turning
