

Recorded by Kenny Rogers

C
I'll write myself a simple song
Get the whole world to sing along
F G7 C G7
I'll call it a love song for you
C
And who knows I'm liable

To take a song from the Bible
D7 G7
And then when I'm through

I'll just sing
C G7 C F G7 C
Love lifted me love lifted me
F C Am
When nothing else would do
C G7 C
You know love lifted me

Everybody's looking for a way

To say something everybody's
F G7 C G7
Saying well that's hard to do
C
Searching their minds trying to find

The one of a kind way
D7 G7
That they could say something new

I'll just sing
C G7 C F G7 C
Love lifted me love lifted me
F C Am
When I was down and out
C G7 C
You know love lifted me

G7 C F G7 C
Love lifted me love lifted me
F C Am
When nothing else would do
C G7 C
You know love lifted me

C G7 C F G7 C
Love lifted me love lifted me
F C Am
When I was down and out
C G7 C
You know love lifted me
